Terms and Conditions

- Business Quick Start is subscribed with an initial one (1) year commitment. Contract early termination will incur exit penalties fees for services and devices.
- Broadband and landline services must be installed at the same customer site to be able to be part of the Business Quick Start solution and the converged bill.
- All devices offered as part of Business Quick Start are subject to availability at the time of order placement.
- After the completion of the 12 months contract period the customer can renew the agreement and get a new device(s) at zero upfront payment.
- Devices warranty is 12 months only. Extended warranty is available at additional charges and to be arranged directly with the vendor.
- All rates and charges are exclusive of VAT. The Customer shall pay the VAT in addition to the payment or other consideration for that supply on the earlier of: (a) when the payment or other consideration is made; or (b) when the supply is made.
